General Information

THE PROGRAM

The Drum Performance program is designed specifically to provide students with an intensive, yet practical, industry-related education designed to prepare students for a realistic career in the music business.

WHAT STUDENTS ARE REQUIRED TO PROVIDE:

Drum students must provide their own sticks. Additionally, students must provide the following:

- Headphones
- Blank manuscript paper
- A metronome
- Earplugs – Due to the volume level sometimes associated with live performance/rehearsal, all students are required to provide and wear earplugs.

We recommend that students also provide a practice pad or kit, but it is not required.

WHO SHOULD APPLY?

The program is open to any student who holds a high school diploma or GED and can provide evidence of 1-2 years playing experience and an ability to read drum notation at Grade 4 standard, or relevant equivalent. Students should be comfortable playing an average of 10 snare drum rudiments. Through the required recorded demo, students must demonstrate basic, competent skills in at least two contrasting musical styles (e.g. Metal and Funk).

Spring applicants MUST apply by November 15, 2011 for consideration. Fall applicants who apply by March 15, 2012 will be given priority consideration for admission. All fall applicants MUST apply by June 1, 2012 for consideration. All applications will be considered on a first-come, first-served basis and admission offers will be made on a space available basis.
